REQUEST UNDER 37 C.F.R. §3.81(b)

MAIL STOP PETITIONS
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In accordance with 37 C.F.R. §3.81(b), the below-signed Patentees' attorney requests that the above-identified patent be corrected to state the name of the proper assignee.

Patentees' attorney previously filed a Request for Certificate of Correction on February 13, 2006 to remove one of the original Assignees, Haitai Confectionary Co., Ltd., from the front page of the issued patent, because this original Assignee had relinquished its rights in the patent. (On the PTOL-85 form submitted October 12, 2005, Haitai Confectionary Co., Ltd., was inadvertently listed as an assignee, even though they no longer held any rights in the application.) On July 2, 2007, Patentees' attorney received a communication from the U.S. Patent and Trademark Office (PTO) indicating that the Request for Certificate of Correction had been denied, and explaining that the assignee had to be corrected under 37 C.F.R. §3.81.

Consequently, Patentees' attorney submits this request for the patent to be corrected in accordance with 37 C.F.R. §3.81(b), after payment of the issue fee, as follows:

- (1) Patentees' attorney hereby states that a first assignment from the inventors to the Korea Institute for Science and Technology and Haitai Confectionary Co., Ltd., as joint assignees, was submitted for recordation as set forth in 37 C.F.R. §3.11 on 4/26/2001 before issuance of the patent on 1/17/2006. Patentees' attorney also

hereby states that a second assignment from Haitai Confectionary Co., Ltd., to the Korea Institute for Science and Technology was submitted for recordation as set forth in 37 C.F.R. §3.11 on 2/08/2002 before issuance of the patent on 1/17/2006. Copies of the Notice of Recordation of Assignment Documents are attached, reflecting the reel and frame number where the assignments are recorded and reflecting proof of the date the assignments were submitted for recordation.

- (2) Patentees' attorney hereby submits herewith a request for a certificate of correction under 37 C.F.R. §1.323 (the \$100.00 fee as set forth in 37 C.F.R. §1.20(a) was previously submitted and thus no additional fee is required) and the \$130.00 processing fee for this request as set forth in 37 C.F.R. §1.17(i).

Patentees' attorney requests that the file be forwarded to the Certificate of Correction Branch, for issuance of a Certificate of Correction, if this request is granted.

Please charge any fees or credit any overpayment to Deposit Account No. 50-0494 of Gates & Cooper LLP.

Respectfully submitted,

Eui-Sung Choi et al.

It is requested that a Certificate of Correction be issued correcting printing errors appearing in the above-identified United States patent. Two copies of the text of the Certificate in the suggested form are enclosed.

☒ The error listed is due to Applicants' mistake. However, the \$100.00 fee as set forth in 37 C.F.R. §1.20(a) was previously submitted with a Request for Certificate of Correction on February 13, 2006, and thus no additional fee is required.

☐ As none of the errors listed is due to Applicant's mistake, no fee is necessary in connection with this Certificate.
